With reference to your letter No. SD.4741/A.12/46/87 dated the 10th December 1946, regarding the disposal of surplus lorries of the Department, I have the honour to state that as already reported in one of the previous communications, a complete survey of all the lorries of this Department has been carried out recently by the Transport Officer, Mr. Dwajan and Capt. Vijayarangam jointly. They are of the opinion that 51 lorries in all should be auctioned because the repairs would be very costly and perhaps may not last out long and the question of getting spares is acutely difficult.

2. It is seen that the Government of India Disposals Department have been auctioning off all its surplus stock, specially motor vehicles, and that Messrs. Frank Abraham, Bangalore, seem to have been entrusted with the carrying out of such auctions on a large scale.

As it would be desirable to entrust this special job of carrying out auctions of motor vehicles to some firm experienced in such matters, I sent for the Chief Representative of Messrs. Frank Abraham & Co., St.Marks Road, and had a talk with him in this behalf. I enclosed in the original the two letters which have passed between this office and theirs. The rates quoted are reasonable ranging from 2% for sales upto 25,000 rupees, to ¼% for sales beyond 2,50,000.

p.t.o.

I am of the opinion that this firm may be authorised to auction the lorries of the Department and give usual publicity as noted in their letter.

I request early orders of Government to enable further action being taken to sell the 51 lorries picked out in the recent inspection.

I have the honour to be
Sir,
Your most obedient servant,

Director of Food Supplies.
